Dear Mr. Dodson:

This letter is in response to your request for additional information dated 05/22/96 concerning the March Monthly Report (2/1/96 - 2/29/96) filed by the Democratic Congressional Campaign Committee ("DCCC"). Below is our response to your question concerning certain information contained in the report:

- In reference to your question regarding the contribution from UPSPAC, we have discovered that we did inadvertently deposit this contribution into our federal account. Although our written response to you has been delayed, we did take immediate action to correct this error. Per your suggestion, we transferred the contribution to an account not used to influence federal elections. A copy of the check is attached. The original deposit was an error on our part, and at no time did the contributor intend to make an illegal contribution. A copy of the original check from UPSPAC is attached. The DCCC makes every effort to deposit contributions into the correct account, and we have taken additional steps to avoid this error in the future. The transfer to the nonfederal account will be reflected on Line 29 of our June Monthly Report.

If you need any additional information, please contact me at (202) 485-3455.

Sincerely,

Janica Kyriacopoulos
Assistant Treasurer
